ABOUT US

The basic quartet is supplemented by the bass guitar player and the drummer which makes the band to perform without any backing tracks, being completely live production. Six people singing on the stage, full vocal performance, perfect choreography in authentic costumes will make even greater impression of the concert. They have been recreating the magic of ABBA concerts throughout Europe in Spain, the Canary Islands, Czech republic, Hungary, Estonia, France, Netherlands, Belgium, Slovenia, France, Portugal, Senegal, Dubai, Malaysia, Costarica, Venezuela and worldwide.

More than half a million spectators at over two thousand concerts enjoyed the unique atmosphere of their production. Many times proven world show will take you to this wonderful, magical journey to yesterday.

OUR SUCCESSES

For more than 20 years, ABBORN has become one of the most successful ABBA tribute bands in Europe, having played over 5000 concerts and won the respect of fans and critics alike. In the fall of 2009, the band won The Best ABBA tributes! in French TV FT1, a broadcast with over 70 million viewers. The band has shared stage with greats such as Thomas Anders, Otawan, DJ Bobo, Boney M, Jason Donovan, Ace of Base and more.
